SOFTWARE PRODUCT

Product Name: WebStorm

Licensed Version: version 8.0 and any new product release which is made generally available before 01 September 2015.

Your WebStorm license includes a 1-year upgrade subscription qualifying you for free upgrades to any new versions of WebStorm released by JetBrains during your upgrade subscription period starting on your license issue date and ending on 01 September 2015. To check availability of the new versions of WebStorm, please visit <http://www.jetbrains.com/webstorm/download>

For running any new version of WebStorm released by JetBrains during your upgrade subscription period same license details can be used.

You can renew your upgrade subscription before or after its expiration. Your new subscription period will start on the date following the expiration date of your current upgrade subscription.

The software is shipped electronically and is available for download from:
